MEMORANDUM FOR MR. SHELDON, CIA
DR. STEININGER, PFAC
GENERAL MARTIN, SAFSP

SUBJECT: CORONA Management

Attached for your information and advance perusal is a memorandum on the above subject that I intend to send to the NRP Executive Committee later this week.

At various times in the past, General Stewart and I have solicited your comments and views on the more significant aspects of CORONA management. All of these have received very careful consideration in arriving at my proposals to the Executive Committee.

If you are aware of any factors not previously called to my attention which might impact on the attached, please so advise me as soon as possible and I will consider possible adjustments. Otherwise, I anticipate sending this package to the ExCom on April 9, 1965.

Signed
Alexander H. Flax
Director
National Reconnaissance Office
